

We Have **Answers**

For more than 20 years our staff has administered thousands of 1031 exchanges throughout the United States, involving every type of property. As part of our mission, we seek to provide our customers new levels of expertise and efficiency. So our associates are required to attend intensive training programs on the legal, financial and technical elements of 1031 tax deferred exchanges.

We work on a wide range of like kind exchange transactions and undergo continuous training and counsel on pertinent legal, tax and real estate-related subjects.

Personalized Services

- A total satisfaction guarantee: a full refund of our fee if you're not completely satisfied
- Same-day service for most transactions (some more complex exchanges may take longer)
- Around-the-clock support, 365 days a year
- Continuous access to our in-house advisors
- Advisory services on all available options

Financial Strength

- A multi-tiered strategy to protect your investment
- Volume reserves of bonding, insurance and equity capitalization
- Support by process controls that check and validate each step of every exchange transaction
